Q: Why are qualifying applications being selected by a lottery system?

A: The lottery system allows us to give equal consideration to every qualifying application received during the application cycle. A: No. Personal information will never be disclosed or publicized without prior consent.

Q: If I receive a grant, will there be reporting requirements?

A: Yes. Cycle 3 recipients will be asked to provide a brief report by October 2023, verifying how the funds were used to support their artistic practice. Recipients will be provided with more detailed instruction upon notification of their award.
