An abstract sculpture made of many layers of light-brown, wavy paper or cardboard. The layers are stacked and curved in a rhythmic, undulating pattern, creating a sense of depth and movement. The lighting is soft, highlighting the texture and the edges of the layers.

An abstract background composed of various geometric shapes and planes in a vibrant color palette. The colors include deep blues, purples, yellows, greens, and pinks. The shapes are layered and intersect, creating a sense of depth and architectural structure. Some elements resemble architectural details like beams or walls, while others are more fluid and organic.
